**Report and Order Terminating Supervised Release
Prior to Original Expiration Date**

UNITED STATES DISTRICT COURT

FOR THE

MIDDLE DISTRICT OF GEORGIA

UNITED STATES OF AMERICA

v.

Crim. No. 5:13-CR-00085-001 (CAR)

LUIS ENRIQUE ESQUIVE MENDOZA

Luis Enrique Esquive Mendoza filed a pro se request for early termination (CM/ECF Doc. #37) dated April 18, 2022. According to a report received from the supervising U.S. Probation Officer in the Middle District of Alabama (MD/AL), Mendoza has not had any violations while on supervision and all drug screens have been negative. According to the U.S. Probation Office's Post-Conviction Risk Assessment (PCRA) tool, the defendant assesses as Low/Category 1 which means he is at a low risk of recidivism and low risk of future violence. Mendoza has met the criteria for early termination as outlined in the Guide to Judiciary Policy; Volume 8; Part E (Post-Conviction Supervision); Chapter 3, as approved by the Administrative Office of the United States Courts and is no longer in need of supervision. The supervising officer in the MD/AL does not oppose the defendant's request for early termination. It is accordingly recommended that the Court grant Luis Enrique Esquive Mendoza's request and he be discharged from supervision.

Respectfully submitted,

Donald L. Coneway, Sr.
Supervising U.S. Probation Officer
